2019

22nd

المالون الدولي الثاني و العشرون للبناء و مواد البناء و الأشغال العمومية

22nd International Building Exhibition, Building Materials and Public Works

Invitation letter :

Dear partner,

It is with great joy that we invite you to participate in the 22nd edition of the International Exhibition of Building, Building Materials and Public Works, BATIMATEC, which will be held from 24 to 28 March 2019 at the Exhibition Center of SAFEX at the Pins Maritimes, Algiers.

The BATIMATEC event has become over the years and successive editions, the most important professional gathering of the construction sector on a continental scale. All branches of the Building, Building Materials and Public Works are represented. The event has reached a level of maturity after more than two decades of existence and has enabled us to register at the 2018 edition the participation of 1039 exhibitors including 627 national companies and 412 foreign companies from 16 countries on a surface area of exposure are around 33000 msq.

Our commitment is to offer a serene professional meeting space, our objective is to enhance the level of performance of the event, including the improvement of the conditions of participation for our partners who have always trusted us. A very elaborate communication plan, plus a well-developed animation program on the sidelines of the exhibition, is planned, with the aim of raising the level of the event and placing it at the height of all expectations.

It is in this spirit that SAFEX and BATIMATEC Expo will gather all their efforts and human and material resources in the service of the 2019 edition, in order to guarantee an exchange platform WIN-WIN.

We will be delighted to welcome you to this new edition.

Registrations are open, welcome to all.
