TESTIMONIALS

“ I am very much impressed with what The Big 5 Construct East Africa is doing here and it very much shows the capabilities of the economy here in Kenya. Today we have agreed to continue our business mission to improve our relations and to establish better corporation with your country and with your businesses. ”

TERENS SPENCER QUICK**
Deputy Minister
Ministry of Foreign Affairs Greece

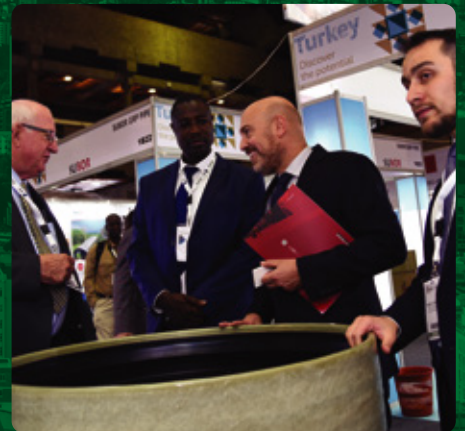

“ The audience was very good and diverse. I saw a lot of planners, contractors and suppliers - they all came and had a lot of questions. The event is big and very diverse and very interesting materials for the projects I'm handling right now. ”

ERIC E. KIGADA
Architect Director
B & A Studios Ltd

“ The Big 5 Construct East Africa was without a doubt a marvelous event that truly lived to its purpose. I had engaging discussions with great speakers and networked with exhibitors and professionals from all over the globe. An event definitely not to be missed! ”

DUNCAN KINUTHIA KARIUKI
Civil Engineer
Civicon Engineering

“ It has been great so far, great response, people have understood the need of the products that we are showcasing and we have received great exposure from the exhibition. ”

Akash Gandhi | Director
Rentstate Limited

WHAT'S NEW IN 2019?

After very positive response from the Kenyan market, we've decided to rebrand the event to The Big 5 Construct Kenya. We'll be back with a fresh new look and even more features to support the local market.
