Meet the right audience and grow your sales pipeline

Big 5 Construct South Africa continues to thrive after its successful 11th edition, emerging as a pivotal event that highlights South Africa's rapidly expanding construction sector. Fueled by significant investments and ambitious infrastructure plans. The event gathers industry leaders, policymakers and innovators to advance South Africa's Vision 2030 goals.

During this three day event, thousands of industry professionals and leading construction companies come together to network and build valuable business relationships.

Don't miss your chance to participate in the upcoming Big 5 Construct South Africa event. Secure your spot now and get ready to improve your daily business operations.

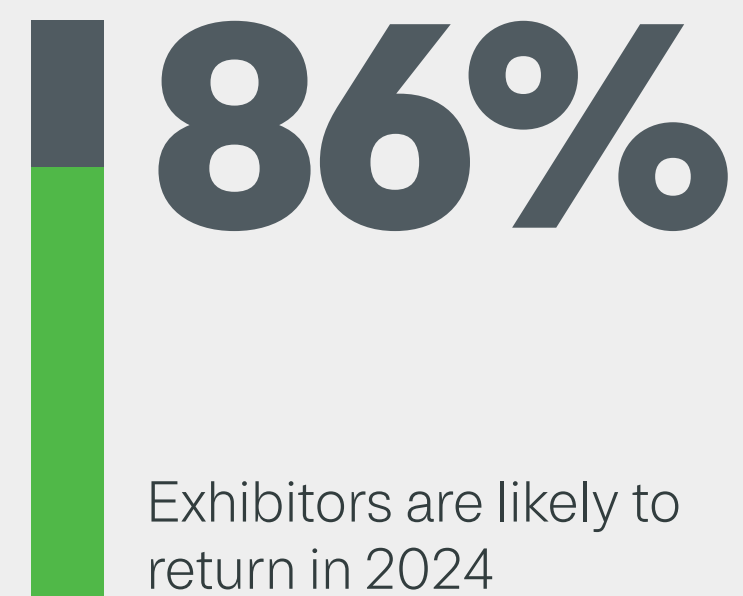

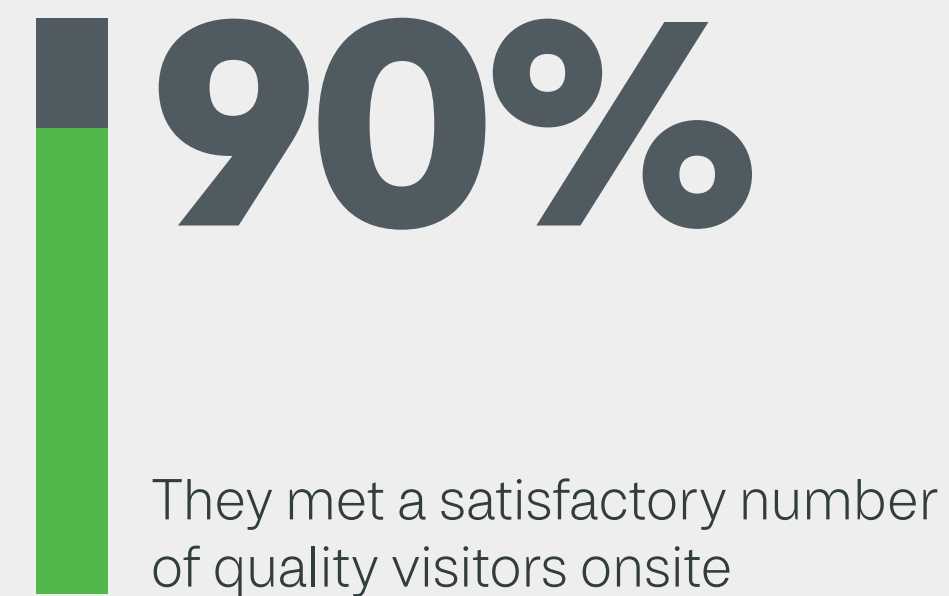

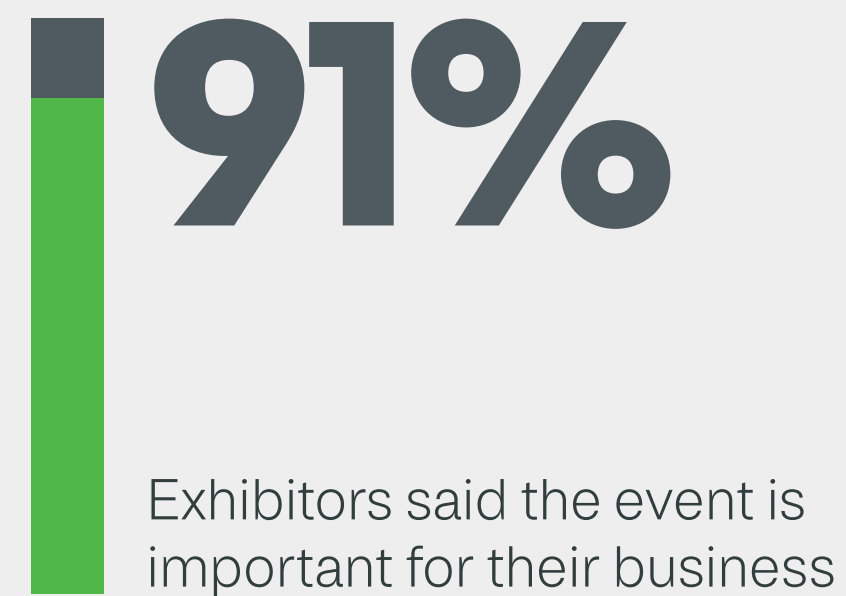

We've had an excellent turnout with the right kind of people. We've connected with existing customers who are looking to expand from smaller markets to larger ones. This event has been highly beneficial for us.

Exhibitor Insights:

Visitor Insights:

With overwhelming positive feedback from both exhibitors and visitors, Big 5 Construct South Africa stands as a cornerstone for business opportunities.

Key mega projects: South Africa \$125 billion construction market is actively seeking your products, services and solutions

With numerous large-scale projects across diverse regions, you're entering a market set for significant growth. Take advantage of the opportunity to succeed in this dynamic African market.

\$20Bn

The Parks (master plan)

THE PARKS is the world's highest standard for sustainable living, providing a net zero lifestyle for 150,000 residents. The city will produce 100% of its energy, water & food on site to become a self-sufficient destination. The 1,700 hectare smart city is planned in the eastern region of South Africa.

\$15Bn

South Africa Eastern Corridor Development

The project features the construction of the new OR Tambo University, the development of the OR Tambo Logistics Gateway, the Prasa-Gibela rail manufacturing hub, the expansion of the OR Tambo International Airport, as well as several other industrial developments.

\$10Bn

Musina-Makhado Special Economic Zone

The Musina-Makhado Special Economic Zone comprises two sites, one focusing primarily on Energy and Metallurgy and the other on three sectors, i.e. general manufacturing, agro-processing and logistics, supporting the development of sustainable enterprises.

Heavy Construction Equipment, Machinery & Vehicles

Solar

Attended by key buyers from leading companies across the South African construction value chain

Attending Big 5 Construct South Africa was a game-changer for us. We're currently working on several projects, including a Billion-rand venture in the Western Cape. The event provided an invaluable opportunity to connect with new international manufacturers and suppliers which we are looking forward to partnering with for our projects and possibly our hardware stores.

Sekgwari Mamabolo
Contractor, BoTong Civils

Visiting brands included:

ALLAN GRAY

Leading brands launch products, showcase innovations and connect directly with the South African construction market

Meeting all the key decision-makers at Big 5 Construct South Africa has been incredible. Our strategic objective is to improve construction, and the event has allowed us to connect with decision-makers as well as individuals on the ground making it a very memorable event.

Afzal Chothia
Marketing Director, HILTI

238 exhibitors participated from 18 exhibiting markets in 2024, including:

CPD-certified Big 5 Talks

Fueling career advancement in construction

By offering CPD-certified sessions, we attract industry professionals interested in sharing industry knowledge and advancing their careers. Expert speakers cover essential topics such as project management, architecture & design, technology and sustainability, ensuring attendees gain valuable insights.

[Contact us](#) to discuss speaking and sponsorship opportunities

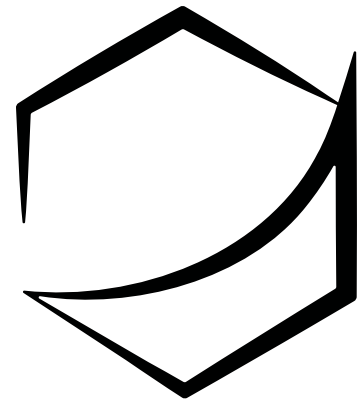

Big 5 Talks highlight the significant impact of the construction industry on skills development and job creation. Events like these are essential for South Africa, driving growth and providing crucial Continuing Professional Development (CPD) points needed for professional advancement.
