Key mega projects: Egypt's \$570 billion construction market is actively seeking your products, services and solutions

4.19

With a range of major projects across the country, you're entering a market poised for substantial growth. Embrace the chance to succeed in this evolving and dynamic landscape.

Below are just some of the mega projects planned and underway:

\$55Bn

New Administrative Capital

The New Administrative Capital of Egypt is a groundbreaking project, reshaping the nation's future with a staggering \$55 billion investment. Strategically located to ease congestion in Cairo, this modern city is designed to be the epicenter of government, business and culture.

\$35Bn

Ras El Hikma Project

The UAE is investing \$35bn to develop the Ras El Hikma peninsula on Egypt's Mediterranean coast. The plan is to build a modern city covering 170 sqm including areas for investment, technology, industry, entertainment, a marina, an airport and places for tourism and living.

\$5Bn

New Alamein City

Egypt's visionary coastal metropolis, is a thriving hub of innovation and luxury, strategically located along the Mediterranean Sea. With \$5 billion in investments, it offers unparalleled opportunities for growth across real estate, tourism and infrastructure. This dynamic city is set to become a beacon of modern living and a magnet for investors seeking to capitalize on Egypt's booming development landscape.

2024 highlights

moments to remember

14.19

International delegation: The event was honoured to host a distinguished delegation of ambassadors and investors hailing from several countries, including Ghana, Congo, Namibia, Uganda, Cambodia, and Malawi. Their participation added significant value to the event, fostering international collaboration and opening up avenues for future partnerships.

New Administrative Capital Tour: The event hosted leading international construction brands for an exclusive tour of the New Administrative Capital, a cornerstone project of Egypt Vision 2030. We extend our gratitude to the Administrative Capital for Urban Development for their valuable insights and hospitality during the tour.

Innovation trail: At the Big 5 Construct Egypt, the “Innovation Trail” was introduced as a new feature, guiding visitors through a tour of company stands to explore the latest products and innovations. Participants included Al Andalusia for Air Outlets, Geomatex Integrated Solutions, Geo-Surveying, Hassan Allam for Trading and Engineering, Modern Engineering Services (MES), National Pipe Company, Neo Bloq, Red 365, Smart Electrical Industries (SEI), Smartscaff by 3TS, Smart Window, and Surveying Systems, all showcasing cutting-edge advancements in their respective fields.

Bokra Innovators: At the Big 5 Construct Egypt, a new feature called “Bokra Innovators” was introduced, offering specialized sessions designed for juniors and students to enhance their skills and career prospects. These sessions, provided by the Chartered Institute of Building (CIOB) and Career180, aimed to equip young professionals with valuable knowledge and insights, helping them prepare for future success in the construction industry.
