Empowering the construction industry in Saudi Arabia

2.29

The construction sector is pivotal to Saudi Arabia's economic expansion with Big 5 Construct Saudi supporting the industry towards achieving the Kingdom's Vision 2030 objectives. As the largest construction event in Saudi Arabia the 2024 edition has surpassed all previous records, significantly expanding in size and doubling the number of visitors and exhibitors.

Big 5 Construct Saudi has become a crucial trade platform, facilitating over \$1 billion* in business engagements between exhibitors and visitors last year alone.

Emphasizing innovation and state-of-the-art technologies, Big 5 Construct Saudi is essential for uncovering transformative opportunities, positioning both local and international brands and suppliers to connect directly with new and existing customers and shape the future of the construction landscape in the Kingdom.

25.29

Opening ceremony: His Excellency Mr. Majid Abdullah Al-Hogail, the Minister of Municipal, Rural Affairs and Housing opens Big 5 Construct Saudi in Riyadh. His Excellency is given a VIP tour and first look at exhibitors, product launches, live demos, new country pavilions and more.

Record-breaking turnout: Big 5 Construct Saudi 2024 attracts over 64,000 attendees, the largest gathering of construction professionals to Saudi Arabia over the span of four days.

Double the size: Covering an area of 70,000sqm, the event unites stakeholders to explore emerging trends, capitalize on market opportunities and chart the course towards sustainable growth whilst bringing together 1,300+ exhibitors from 47 countries.

Industry insights: For the first time, the Saudi Contractors Authority (SCA) and dmg events held the International Contracting Conference (ICC) which hosted over 1,400 delegates.

Knowledge empowerment: Big 5 Talks gathers world-class speakers to share their expertise with engaging talks and interactive Q&As, hosting over 3,400 CPD-certified professionals.

2024 highlights

moments to remember

26.29

Future partnerships: Schüco and IHCC sign Memorandum of Understanding (MOU), marking the beginning of a new era of collaboration. IHCC is a turnkey solution provider that is specialized in healthcare, education, and mixed-use projects.

Commitment to the Kingdom: Lintec & Linnhoff signs exclusive distributor agreement with MEDCO to be responsible for the sales of the brand's asphalt mixing and concrete batching plants in KSA, reinforce the company's firm commitment to the Saudi Arabian market.

Product innovations: Midea, a leading global provider of air conditioning solutions, launches its latest product called 'IcyBlast' on the first day of the event.

Nurturing relationships: First time partners of Big 5 Construct Saudi, Sustainability Professionals of Saudi Arabia (SPSA) and the Saudi Women Engineering Society (SWES) sign MOU. This signified a milestone in advancing gender equality in engineering and sustainability practices in alignment with Saudi Arabia's Vision 2030 objectives.

Strong foundations: Big 5 Construct Saudi features its largest outdoor area in 2024, doubling from the last edition, with 41 exhibitors of heavy construction equipment and commercial vehicles.

Grateful for the enriching experience at Big 5 Construct Saudi! It was inspiring to witness the latest advancements in construction technology and to engage with industry experts.
